### Important sampling information

- No objects may be placed within 60 cm of guidance systems for visually impaired persons.
- Underpasses and lower levels are subject to a maximum headroom of 2m for branded sampling containers. Any damage to sprinkler equipment will have serious consequences, which will be charged to the agency or the customer.
- Each sampling point is limited to a maximum of 4 promoters, each with one wheeled container for the goods to be distributed.
- The wheeled containers may be brand-labelled (and so may beach flags etc.).

## Direction to the P+Rail parking station

### **Parking P+Rail railway station SBB**

The delivery takes place via Viale Stazione 36, 6500 Bellinzona.  
Look out for the «P+Rail» symbols.

## Power connection

### Power connection P1

The power connections for the promotion area «P1» are located on the wall of the building.
