Important sampling information

- No objects may be placed within 60 cm of guidance systems for visually impaired persons.
- Underpasses and lower levels are subject to a maximum headroom of 2.70 m for branded sampling containers (e.g. beach flags). Any damage to sprinkler equipment will have serious consequences, which will be charged to the agency or the customer.
- A maximum of 4 promoters, each with one wheeled container for the goods to be distributed is allowed. The wheeled containers may be brand-labelled (and so may beach flags etc.).
